

VOYAGER

VOYAGER PROJECT TABLE BUTCHER BLOCK TOP

Today's scholars deserve the best tools to enhance learning outcomes. The Voyager Project Table series is designed to do just that by fostering better learning, thinking and doing. The tapered style steel leg design supports a solid hard maple butcher block top suitable for maker spaces, STEM learning, art rooms, training rooms and more.

Learn. Think. Do.™

Furniture solutions for flexible and agile learning environments that encourage individual choice, increased movement and dynamic student engagement.

DURABILITY AND MOBILITY

The Voyager Project Table is constructed with all steel legs and durable locking casters for a lifetime of use.
