

THINK NOOK™

10 Reasons to Consider the Think Nook

SCAN TO LEARN MORE

DESIGNED FOR EVERY STUDENT

Designed to meet the many challenges around trauma, neurodiversity and anxiety.

DESIGNED FOR WELLNESS

A wellness tool that allows students to self-regulate, refocus and manage distractions while remaining present in the classroom.

DESIGNED TO REDUCE BACKGROUND NOISE

The upholstered interior creates a space where ambient noise levels are reduced giving students the opportunity to think and recharge.

DESIGNED FOR COLLABORATION

Designed to enhance teaming opportunities with ease, speed, and flexibility. Simply rotate the Think Nook 90 degrees to create a focused space for seamless collaboration.

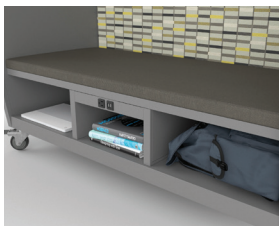

DESIGNED FOR EVERY LEARNING SPACE

Classrooms – Media Commons
Wellness Spaces – Maker Spaces
Libraries – Extended Learning Areas
Student Unions – Hallways
